Helping You Get What You Need Easily & Quickly

We are investing in technology to get you what you need, when you need it. We know your local branch teams & the service they provide is important to you, but now we have a brand new **186,000 sq ft** distribution centre to back them up with vast stocks quickly available, & many more services to help your business win.

We're working harder for you, so you don't have to!

Our Greatest Stock Width & Depth Ever!

Our new enhanced distribution model backing our branches up daily with greater stocks, brings you so much more: whether you click & collect, drop in to our branches or request a planned delivery, you will find our branches are carrying wider ranges & increased quantities of all you need to complete your projects, large & small wherever you are working in the UK.
